The appointment on Saturday, September 7, 2024 is at 5 p.m., at the Council Chamber in Constitution Square, Quiliano, with a conference dedicated to young people entitled “The Boys and Girls Town Council - a lasting experience” by Councillor for Twinning Nadia Ottonello.

Through the conference organized on Saturday, September 7, the experience of the C.C.R.R. that “lasts in time” will be presented.

The good practice adopted by the Municipality of Quiliano C.C.R.R. will be shared to all target groups involved in the project with the aim of providing a practical and successful experience in the field of democracy aimed at younger groups that can be replicated in other contexts and countries.

The first stage of the project will conclude on Sunday, September 8, 2024, at the Council Hall in Constitution Square in Quiliano, with the presentation of certificates of thanks and participation to the national and international participants who were protagonists of the various activities carried out during the three days in Quiliano.
