Description			
<i>Provide a short description of the event and its activities.</i>			
<p>On Friday 06/09/2024 the international delegation from Ajdovscina arrived at the Municipality of Quiliano in the afternoon, the official welcome took place at the Town Hall. After the mutual knowledge between the groups, with the presence of the Gemellaggi Committee, a group work organized by the partner "Rete dei Comuni Sostenibili" was held, entitled "Making Goals for a better world". Through</p>			

this conference the young participants were involved through an activity that promotes and raises awareness about the objectives of the 2030 Agenda, in particular Objective 5 and Objective 16.

At the end of the day, a press conference was held to present the project, at the Council Chamber of the Municipality of Quiliano, in the presence of the national (Italian) partners. Event open to the public

On Saturday 07/09/2024, in the morning, a visit was held to the Municipality of Quiliano, to the sports hall and to the municipal villa dating back to 1800 called "VILLA MARIA".
Afterwards, the children were able to visit the A. Aonzo Municipal Library.

In the afternoon there were readings on European Union themes through silent books with the partner Società Cooperativa ARCA.

Afterwards, the conference entitled "The Municipal Council of Boys and Girls: an experience that lasts over time" took place, with the participation of some young people from the past and the recent Municipal Council of the children of Quiliano. A video of testimonials on the importance of the Council was shown.

On Sunday 08/09/2024 in the morning a group work was held at the Municipal Library entitled "Planning together E.U." with the participation of AICCRE Liguria, based on the importance and role of the European Union.

In the afternoon, after lunch together, the final greetings, photos and the donation of a book on the themes proposed during the three days were held.

Target: Administrators (mayors and youth policy/culture departments), teachers, young people, educators (local cooperatives and associations), library users, citizens.

A section dedicated to twinning has been created on the institutional website of the Municipality of Quiliano where it is possible to download and access the contents of the activities.

Compared to the Deliverable initially presented, the group work with the Sustainable Municipalities Network has been inserted on Friday 6 September 2024.
